CERT would like to have an exercise with the Volunteer CO in the Spring.

The department needs a PIO person and has asked Pat Boss if he would be interested in joining the volunteers and act as the PIO for the department.

Code 3 Driving: Need to be aware of speeds when driving through town.  
There is very little time to be gained by speeding where distances to calls are so short.

Bruce Connole had a conversation with Ted Cummings about donating tickets to the Jazz Festival In The Pines 2012 for a raffle at the Memorial Sale. Plans for the Memorial Sale still under discussion with it tentatively set for May 26<sup>th</sup>-28<sup>th</sup> with clean up and lunch on Monday the 28<sup>th</sup>.

First Responder class is to be rescheduled and the current First Responders are good through July 30, 2012 or until the recert is complete.

New Business:

Gary Phillips has new volunteer application for Randall Cooper who was here on the normal meeting date this month not knowing that the meeting was cancelled. Gary asked that he be credited with his first meeting appearance. It was so agreed.

Donation letter is still in the works at this time.

Obtaining list of needs for structure gear for all volunteers and will coordinate with Lamont for obtaining the PO.

Craig Scudder is getting the badge information together for Sun Badge Co. starting at #30 with one PIO. The volunteer patches are in and he will pick them up prior to the next meeting.

Alex Marconi is unanimously voted in as newest volunteer member.

Being no further business, the meeting was unanimously adjourned at 2015 hours.

Respectfully submitted,
