## 2023 Property Abatement Results:

The Idyllwild Fire Protection District inspects 3829 properties each year.

- As Per IFPD Ord. 19-01 we have begun performing our annual abatement inspections on ALL properties within IFPD jurisdiction. IFPD crews completed the first round of inspections on **April 30th** and failed inspection notices were mailed out to 623 property owners (Last year we mailed out over 705 fails on the first round of inspections).
- Second inspections will begin May 15<sup>th</sup>, After the second inspection notices are mailed out, then a three week interval is given to complete the work prior to the final inspections being performed.
- We anticipate final inspections in June. Last year **81** citations were mailed out on those properties which remained out of compliance.

➤ **Overall 2023 abatement results: 97% compliance and 3% noncompliance.** We continue to work with those who have not come into compliance to ensure all have met / will meet the minimum abatement requirements.

## Ongoing Property Abatement 2024:

As with previous years the Idyllwild Fire Protection District will continue inspecting ALL (3829) properties for compliance with ORD 19-01. This local ordinance is in addition to the CA State abatement regulations: (IFPD abatement Inspections begin late spring generally Mid to Late April – Early May each year). ***This year's 1<sup>st</sup> inspections have been conducted with 623 1<sup>st</sup> inspection fail notices being mailed out.*** IFPD has re-inspected the **623** parcels with final fail notices being mailed out to **248** property owners. ***Citation notices have been mailed out to any property owner not found in compliance.***

Items which top the "Failed" inspection list each year are:

- Address Numbers – These must be 4" or greater in size and must be visible from the street in a contrasting color.
- Clearance around Propane Tanks – Must have a minimum of 10' clearance around LP tanks.
- Roof clear of flammable debris – Your roof must be free from pine needles, leaves, and other flammable debris.
- Thirty (30') ft. clearance of all vegetation around your home.

***Please check our website or contact our office with any questions you may have regarding Property Abatement, the IFPD will be happy to assist you! Property Abatement is an ongoing responsibility.***

**Ongoing Fuels Projects:** The Idyllwild Fire Protection District continues to work with our Cooperative Partners on fuels reduction and community resiliency projects: Thomas Mountain, Westridge, South Ridge, Strawberry, and other local fuels projects. The IFPD has also had the opportunity to assist with fuels projects in the Cleveland National Forest.

***Update: (Partnership agreement with the USFS is completed)***

**Bear Trap Fuel Reductions:**

IFPD continues working on this critical fuel reduction project with the private property owners to reduce fuels on a ridgeline west of Idyllwild and east of Bear Trap Canyon. These fuels reductions will greatly strengthen our fire prevention efforts along with the other ongoing fuels reductions projects on west ridge, south ridge, and strawberry fuel reductions. We anticipate an RX treatment in early 2024 on this project.

***Update: The Bear Trap fuel project is ready for an RX (firing) treatment. We will likely need to do a "re-entry" on this project early 2025 and then apply the Rx treatment.***

**Communications Site:**

The IFPD completed improvements to our communications site. The IFPD plans to relocate WNKI (1610 am emergency radio) to the site which will greatly enhance our overall emergency communications network and provide a larger coverage area for the community. This relocation is anticipated to take place early 2024. Thank you to all those who participated in making this project a huge success! (We are currently working with SCE on providing permanent power to this site) Currently we have LP generator power and solar energy providing power to the site.

***Update: We have worked through the project planning process with SCE and anticipate having final "site plan" approvals soon, this will provide for permanent power to the site.***

**Individual and ongoing Community CPR Classes:**

IFPD delivers several CPR classes each year. In 2023 we provided five (5) CPR classes for the USFS, two (2) local tree company classes, two (2) local camp employees courses and two (2) community CPR classes. ***We have already provided six (6) CPR class in 2024***, one for the local water districts one for MCFSC, one for Tree Companies, one for the local medical clinic, one for local camps and a community "citizen" CPR class. - Commissioner Yost – *Thank you to the volunteers and duty crew that came out to the July 5<sup>th</sup> event. Also, thank the crew for bringing out the truck and putting up the flag out at the summer concerts.*
- Commissioner Fogle – *Nothing to report at this time.*

IVFC – *The volunteers are working on putting together the annual spaghetti dinner. The VFC have a possible date in mind of November the 23<sup>rd</sup> at Camp Maranatha. Looking forward to bringing that event back annually.*

- Chief Mark LaMont. – *(Please also see Chief LaMont's written report). Chief LaMont noted that the Thomas Mountain burn along with the Bear Trap fuel break have been put on hold due to the early start of the 2024 fire season and that they will get started on these projects next year. The firefighter's test has been started and we will be going into oral interviews once the interview panel is complete we will undergo Chief interviews and move on to selections. Once the FF selection has been made we will begin our Battalion Chief testing process and anticipate those appointments by year end 2024. Early in 2025 we will have a Fire Captains testing process as we anticipate promotions for the 25/26 FY. Last year we had a 97% compliant rate for property abatement. This year our compliance percentage went down a little bit with a 93% compliance rate. Thank you to Steve and Tonya and the volunteers for their help with the address signs, going door to door helping residents work through new signs and helping to ensure that signs are visible. The communications site is up and running, we anticipate moving WNKI to that location by year end 2024 which will provide better overall coverage for the emergency radio system (1610am) and our local frequency coverage as well. SCE is currently working on permanent power for the site, currently we have solar with battery back and propane generator power but we are working to ensure we have multiple redundancy for power at our site. We have already been on many Mutual Aid assignments this year and anticipate this trend will continue throughout the 2024 fire season. Lots of rain last winter equals lots of fine flashy grass fuel which ultimately carries fire rapidly across the landscape.*

STATE OF CALIFORNIA  
Natural Resources Agency

Agreement for the Volunteer Fire Assistance Program of the  
Cooperative Forestry Assistance Act of 1978

THIS AGREEMENT, made and entered between the STATE of California, acting through the Director of the Department of Forestry and Fire Protection hereinafter called "STATE", and Idyllwild Fire Protection District hereinafter called "LOCAL AGENCY", covenants as follows:

RECITALS:

1. STATE has been approved as a passthrough agent of the United States Department of Agriculture, (USDA), Forest Service for the purpose of administering the Volunteer Fire Assistance program in California, hereinafter referred to as VFA, authorized by the Cooperative Forestry Assistant Act of 1978 (PL 95-313, 92 Stat. 365, 16 U.S.C. 2106 as amended).
2. This is a subaward under the 2024 Volunteer Fire Assistance Grant #24-DG-11052012-171 awarded to STATE by the Forest Service on August 23, 2024. The Federal Assistance Listing for the award is 10.698. Cooperative Fire Program. This subaward is funded solely with Federal funds and is subject to the Office of Management and Budget (OMB) guidance in subparts A through F of 2 CFR Part 200, as adopted and supplemented by the USDA in 2 CFR Part 400, and under certain terms and conditions to LOCAL AGENCY to assist LOCAL AGENCY to upgrade its fire protection capability.
3. LOCAL AGENCY desires to participate in said VFA and agrees to the terms and conditions specified in the Procedural Guide for Volunteer Fire Assistance Program 2024.

NOW THEREFORE, it is mutually agreed between the parties as follows:

4. **APPROVAL:** This Agreement is of no force or effect until signed by both parties and approved by the Department of General Services, if required. LOCAL AGENCY may not commence performance until such approval has been obtained.
5. **INCORPORATION:** The Procedural Guide for Volunteer Fire Assistance Program 2024, submitted Application for Funding and associated Grant Assurances are hereby incorporated by reference as part of the Grant Agreement.
6. **TIMELINESS:** Time is of the essence in this Agreement.
7. **FORFEITURE OF AWARD:** LOCAL AGENCY must return this Agreement and required resolution properly signed and executed to STATE at the email address specified in paragraph 12, with a timestamp no later than December 1, 2024 or LOCAL AGENCY will forfeit the funds.

8. **GRANT AND BUDGET CONTIGENCY CLAUSE:** It is mutually understood between the parties that this **Agreement** may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if the **Agreement** were executed after that determination was made.

This **Agreement** is valid and enforceable only if sufficient funds are made available to the STATE by the United States Government for the **State Fiscal Year 2024** for the purpose of this program. In addition, this **Agreement** is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this **Agreement** in any manner.

The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this **Agreement** shall be amended to reflect any reduction in funds.

The STATE has the option to invalidate the **Agreement** under the 30-day cancellation clause or to amend the **Agreement** to reflect any reduction in funds.

9. **REIMBURSEMENT:** STATE will reimburse LOCAL AGENCY, from funds made available to STATE by the Federal Government, an amount not to exceed **\$10,000.00** on a 50/50 matching funds basis, for the performance of specific projects and/or purchase of specific items identified in Proposed Project, Application for Funding, attached hereto. **Reimbursement will be only for those projects accomplished and/or items purchased between THE LAST SIGNATORY DATE ON PAGE 1 and JUNE 30, 2025.** This sum is the sole and maximum payment that STATE will make pursuant to this Agreement. **LOCAL AGENCY must bill STATE at the e-mail address specified in paragraph 12, with a timestamp no later than September 1, 2025 in order to receive the funds.** The bill submitted by LOCAL AGENCY must clearly delineate the projects performed and/or items purchased. A vendor's invoice and proof of payment to vendor(s) must be included for items purchased.
10. **LIMITATIONS:** Expenditure of the funds distributed by STATE herein is subject to the same limitations as placed by the VFA, upon expenditure of United States Government Funds. Pursuant to 2CFR200.313 Equipment, subject to the obligations and conditions set forth in that section; title to any equipment and supplies acquired under this **Agreement** vests with the LOCAL AGENCY. For any equipment items over \$5,000, the federal government may retain a vested interest in accordance with paragraph 17 below.
11. **MATCHING FUNDS:** Any and all funds paid to LOCAL AGENCY under the terms of this **Agreement**, hereinafter referred to as "VFA Funds", shall be matched by LOCAL AGENCY on a dollar-for-dollar basis, for each project listed on attachment(s) hereto identified as "Proposed Project". No amount of unpaid "contributed" or "volunteer" labor or services shall be used or consigned in calculating the matching amount "actually spent" by LOCAL AGENCY.

LOCAL AGENCY shall not use VFA Funds as matching funds for other federal grants, including Department of Interior (USDI) Rural Fire Assistance grants, nor use funds from other federal grants, including USDI Rural Fire Assistance grants, as matching funds for VFA Funds.

- 1) receive a copy of the company's drug-free workplace policy statement; and,

Agreement for the Volunteer Fire Capacity Program of the  
Cooperative Forestry Assistance Act of 1978

THIS AGREEMENT, made and entered between the STATE of California, acting through the Director of the Department of Forestry and Fire Protection hereinafter called "STATE", and Idyllwild Volunteer Fire Company hereinafter called "LOCAL AGENCY", covenants as follows:

RECITALS:

1. STATE has been approved as a passthrough agent of the United States Department of Agriculture. (USDA), Forest Service for the purpose of administering the Volunteer Fire Capacity program in California, hereinafter referred to as VFC, authorized by the Cooperative Forestry Assistance Act (CFAA) of 1978 (PL 95-313, 92 Stat 365, 16 U.S.C. 2106), as amended.
2. This is a subaward under the 2024 Volunteer Fire Capacity Grant #24-DG-11052012-161 awarded to STATE by the Forest Service on August 23, 2024. The Federal Assistance Listing for the award is 10.698. Cooperative Forestry Program. This subaward is funded solely with Federal funds and is subject to the Office of Management and Budget (OMB) guidance in subparts A through F of 2 CFR Part 200, as adopted and supplemented by the USDA in 2 CFR Part 400, and under certain terms and conditions to LOCAL AGENCY to assist LOCAL AGENCY to upgrade its fire protection capability.
3. LOCAL AGENCY desires to participate in said VFC and agrees to the terms and conditions specified in the Procedural Guide for Volunteer Fire Capacity Program 2024.

NOW THEREFORE, it is mutually agreed between the parties as follows:

4. **APPROVAL:** This Agreement is of no force or effect until signed by both parties and approved by the Department of General Services, if required. LOCAL AGENCY may not commence performance until such approval has been obtained.
5. **INCORPORATION:** The Procedural Guide for Volunteer Fire Capacity Program 2024, submitted Application for Funding and associated Grant Assurances are hereby incorporated by reference as part of the Grant Agreement.
6. **TIMELINESS:** Time is of the essence in this Agreement.
7. **FORFEITURE OF AWARD:** LOCAL AGENCY must return this Agreement and required resolution properly signed and executed to STATE at the email address specified in paragraph 12, with a timestamp no later than December 1, 2024 or LOCAL AGENCY will forfeit the funds.

8. **GRANT AND BUDGET CONTIGENCY CLAUSE:** It is mutually understood between the parties that this **Agreement** may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if the **Agreement** were executed after that determination was made.

This **Agreement** is valid and enforceable only if sufficient funds are made available to the STATE by the United States Government for the **State Fiscal Year 2024** for the purpose of this program. In addition, this **Agreement** is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this **Agreement** in any manner.

The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this **Agreement** shall be amended to reflect any reduction in funds.

The STATE has the option to invalidate the **Agreement** under the 30-day cancellation clause or to amend the **Agreement** to reflect any reduction in funds.

9. **REIMBURSEMENT:** STATE will reimburse LOCAL AGENCY, from funds made available to STATE by the Federal Government, an amount not to exceed **\$10,050.00** on a 50/50 matching funds basis, for the performance of specific projects and/or purchase of specific items identified in Proposed Project, Application for Funding, attached hereto. **Reimbursement will be only for those projects accomplished and/or items purchased between THE LAST SIGNATORY DATE ON PAGE 1 and JUNE 30, 2025.** This sum is the sole and maximum payment that STATE will make pursuant to this Agreement. **LOCAL AGENCY must bill STATE at the e-mail address specified in paragraph 12, with a timestamp no later than September 1, 2025 in order to receive the funds.** The bill submitted by LOCAL AGENCY must clearly delineate the projects performed and/or items purchased. A vendor's invoice and proof of payment to vendor(s) must be included for items purchased.
10. **LIMITATIONS:** Expenditure of the funds distributed by STATE herein is subject to the same limitations as placed by the VFC, upon expenditure of United States Government Funds. Pursuant to 2CFR200.313 Equipment, subject to the obligations and conditions set forth in that section; title to any equipment and supplies acquired under this **Agreement** vests with the LOCAL AGENCY. For any equipment items over \$5,000, the federal government may retain a vested interest in accordance with paragraph 17 below.
11. **MATCHING FUNDS:** Any and all funds paid to LOCAL AGENCY under the terms of this **Agreement**, hereinafter referred to as "VFC Funds", shall be matched by LOCAL AGENCY on a dollar-for-dollar basis, for each project listed on attachment(s) hereto identified as "Proposed Project". No amount of unpaid "contributed" or "volunteer" labor or services shall be used or consigned in calculating the matching amount "actually spent" by LOCAL AGENCY.

LOCAL AGENCY shall not use VFC Funds as matching funds for other federal grants, including Department of Interior (USDI) Rural Fire Assistance grants, nor use funds from other federal grants, including USDI Rural Fire Assistance grants, as matching funds for VFC Funds.

Dear Mark:

Late Sunday evening on August 18, my wife Jean Waggoner became very worried about my condition, and phoned 911 for emergency medical response. I had been sick all day with constant intestinal problems and was weak, delirious, and exhausted. Your crew arrived before Jean got off the phone with the dispatcher, and when I saw Bob Clark and Greg Minor come through the door, I knew that I was in good hands.

Your crew immediately connected me to the appropriate monitors, and started hydrating me. They quickly got me down the steps out of the house, onto a gurney, into the ambulance, and on my way to the Emergency Room at Eisenhower. Colin Howe was the ambulance driver, and Greg Minor was the attendant in the ambulance. Besides Bob Clark, Greg Minor, and Colin Howe, there were one or more other IFPD crewmembers that I could not recognize in my delirious state.

The Emergency Room staff at Eisenhower quickly determined that I was dehydrated, and that I probably had an intestinal infection that may have been worsened by the Lyme disease that I had been fighting. I was released from the Emergency Room early in the morning of Monday, August 19, and was back home by noon.

Please pass my thanks on to the crewmembers that assisted me.
