**IFPD CIP (Capital Improvement Plan.)** Ongoing review of the IFPD Capital Improvement Plan is instrumental in the identification of critical needs. The 2021/25 CIP has been updated to reflect our current situation and is available for review.

Notable highlights of the IFPD CIP are the reduction(s) of overall critical needs through the recent purchase of life saving equipment and vehicles. Several funding sources have been utilized to assist us in reaching our stated goals. A summary of these items is as follows:

  - Should IFPD Replace this unit in the future with an IFPD owned vehicle the estimated cost of replacement in 2032 would be in excess of \$ 350,000.00
- IFPD Battalion 6201 was totaled in a 2021 Vehicle collision. IFPD received payout and paid off the vehicle and will be looking to replace this vehicle in 2022. Cost to replace \$ NTE \$ 70,000.00

## CIP (cont)

Several other pieces of critical equipment have been obtained through Grants and cash purchases.

### Examples of recently acquired equipment:

  - Grant funding of \$ 142,000.00 with IFPD cash commitment of \$ 7,500.00. (These critical cardiac monitors will have an estimated useful service life of approximately 8-10 years) replacement cost estimates range from \$ 200,000.00 - \$ 250,000.00 in 2030.
- Six (6) New Handi-talkie (HT) Radios (Bendix – King HT Radios)

We anticipate working toward future grants in assistance of purchasing the remaining 2 units needed.
- Wildland gear/ Equipment and PPE: Through the Assistance to Firefighters grant we received a 50% grant of \$ 20,000.00 costing the IFPD \$ 10,000.00 and allowing us to purchase wildland protective gear, tools and equipment.

**POLICY TITLE:** Board Actions and Decisions  
**POLICY NUMBER:** 5040

**5040.1** Actions by the Board of Commissioners include, but are not limited to, the following:

**5040.1.1** Adoption or rejection of regulations or policies.

**5040.1.2** Adoption or rejection of a resolution;

**5040.1.3** Adoption or rejection of an ordinance;

**5040.1.4** Approval or rejection of any contract or expenditure;

**5040.1.5** Approval or rejection of a budget and any proposal which commits District funds or facilities, including employment and dismissal of personnel; and,

**5040.1.6** Approval or disapproval of matters that require or may require the District or its employees to take action and/or provide services.

**5040.2** Action can only be taken by the vote of the majority of the Board of Commissioners. Three (3) Commissioners represent a quorum for the conduct of business.

**5040.2.1** A member abstaining in a vote is considered as absent for that vote. A member abstaining due to a conflict of interest does not count towards a quorum.

**5040.2.1.1** Example. If three of five Commissioners are present at a meeting, a quorum exists and business can be conducted unless the abstention is due to a conflict of interest. However, if one Director abstains on a particular action and the other two cast "aye" votes, no action is taken because a "majority of the Board" did not vote in favor of the action.

**5040.2.1.2** Example. If an action is proposed requiring a two-thirds vote and two Commissioners abstain, the proposed action cannot be approved because four of five Commissioners would have to vote in favor of the action.

**5040.2.1.3** Example. If a vacancy exists on the Commission and a vote is taken to appoint an individual to fill said vacancy, three Commissioners must vote in favor of the appointment for it to be approved. If two of the four Commissioners present abstain, the appointment is not approved.

**5040.3** The Board may give directions that are not a formal action. Such directions do not require formal procedural process. Such directions include the Board's directives and instructions to the Fire Chief.

**5040.3.1** The President shall determine by consensus a Board directive and shall state it for clarification. Should any two Commissioners challenge the statement of the President, a voice vote may be requested.

**5040.3.2** A formal motion may be made to place a disputed directive on a future agenda for Board consideration, or to take some other action (such as refer the matter to the Fire Chief for review and recommendation, etc.)

**5040.3.3** Informal action by the Board is still Board action and shall only occur regarding matters that appear on the agenda for the Board meeting during which said informal action is taken.
