### 3. Abatement Inspections/Citations:

- Per IFPD Ord. 19-01 we began annual abatement inspections on ALL properties within IFPD jurisdiction. We intend to follow ORD 19-01 including the citation process for 2021/22.
- The final result of this first inspection (May 15<sup>th</sup>) ended with a total of **551** failed properties which have been sent failed notices.
- IFPD Ord. 19-01 details the process for Inspections and also for property owners to appeal their citations to the IFPD Board. We have been working closely with property owners to help them come into compliance.

**We will continue with the forced abatement work on failed properties and anticipate having 6-10 of these completed prior to year-end 2021.**

Abatement regulations, and enforcement measures are critical to our overall success. I would like to again thank those property owners that completed their 2020 abatements and have again completed this process in 2021!
